Done-for-You Coaching Package (Value \$3000)

"I paid off my training before I was even done with the curriculum using the Done For You Coaching Package..."

-Elijah Hawken, Transform Coaching Academy Graduate

This wonderful "Done for You Coaching Package" is a valuable asset you can use in your business for years to come to create some major income while you assist your clients in living their dreams! This bonus includes a done for you package outlining the sessions you will use with clients during the coaching package. You will get an professionally designed brochure and great marketing descriptions for each element of the package so you'll feel confident in discovery sessions and it will be a breeze to have your clients say "YES!"

I've even made the bonuses for you so you'll already have valuable bonuses ready that your prospective clients will love investing in, including a Beautiful Success Journal you can give your clients that will support their growth and deepen everything they are learning with you in your coaching sessions; the Fantastic Future Design Guide formulated exclusively to go with this valuable coaching package that your clients will love—and will give them so much success; an Excellent Daily Guided Meditation MP3 your clients can use every day to keep them on track and feel great!

You can add your business name and branding to these professionally designed bonuses if you desire and use them with all your clients to inspire them to invest in themselves through coaching with you! (delivered after Module 3)
